

Welcome Aboard

This informative booklet will familiarise you with your personal seat comforts, the availability of special facilities for whiling away the time, an inflight shopping guide and drink list, besides detailed route maps on which to log your flight path. If there is anything you need, or want to know, just ask. Our cabin crew are at your service. Everything aboard has been designed with you in mind . . . we know the essence of happiness. Fifty years' experience makes all the difference.

Room at the top

If you're travelling First Class, ascend the spiral staircase and be our guest for cocktails in our Captain Cook Lounge. The largest 747 lounge in the world. Admire its unique decor . . . timbered and trimmed in the style of a captain's cabin on an 18th century sailing ship.

At your fingertips

Your reading light control and call button are positioned in the arm of your seat. (Cold-air ventilation is overhead).

Features of the 747B

Dry shaver bars

There are 5 dry shaver bars complete with mirror and shelf, located near the wash rooms. Ask the Steward for an electric razor if your razor does not suit the 115 volt, DC outlet.

Entertainment

The control unit for music and movie soundtrack is built into the arm of your seat. The charge for the hire of a headset is \$US2.50. There are 3 stereo and 4 mono music programmes available. See your Inflight Entertainment folder for details.

Our two superb galleys

can produce up to 450 meals on any leg of a flight. In both First Class and Economy we serve your cocktails from our new mobile serving carts. Similar carts are also used in Economy for a speedier meal service.

Economy class galley

We've positioned this galley below deck . . . one of the refinements that makes the QANTAS 747B the better one.

You have more space and less noise (no kitchen clatter).

**Stowage units**

Your carry-on luggage travels under your seat or in the enclosed overhead stowage unit and, in First Class, there are full-length closets for coats.

Changing baby

4 of the washrooms feature baby-napkin changing shelves, a facility provided by few airlines.

15 wash rooms

Our 747B has 10 in the Economy Class cabins, 3 in First Class and 2 in the Captain Cook Lounge.

Smoking

In all Qantas aircraft you can enjoy a cigarette. There's an ashtray right beside you. Our reservations on smoking are: Please don't smoke when the 'No Smoking' sign is showing. Our only other request is that you keep to cigarettes. Cigar and pipe smoke are apt to upset other passengers.

Cigarette lighters

Be especially careful with your Reservoir-type Lighter, since it tends to leak under altitude pressure changes. Gas lighters produce a bigger flame than at sea level. Please do not, under any circumstances recharge your gas lighter during flight.

Ask your flight steward

Superb cuisine

The creation of international chefs makes dining with Qantas a special treat.

As befits an international airline, local gastronomic favourites will be featured.

Flight library

This contains a variety of good books, current magazines, books suitable for children of all ages, besides chess, playing cards, draughts, crossword puzzles, and airmail writing paper.

Toiletry items

Complimentary toiletry items available are toothbrushes, towels, soap, tissues, paper cups, etc. Women's basic cosmetics are on hand, plus a sewing kit. Also for men, shave cream, razors (both electric and safety), and after shave lotion.

Baby comforts

We carry safety pins, disposable nappies, comforters, extra blankets, talcum powder, plastic bibs, cotton wool, etc. There is no problem in feeding baby, as everything necessary is supplied: feeding bottles, fruits, vegetables, orange juice, etc. or if a special diet is required, and you have stated so when booking, this will be available.

Privacy area

This is situated at the rear of our 707 aircraft and is at the disposal of nursing mothers. Ask the steward or hostess if you wish to use this facility.

At your service

Qantas personnel do not solicit tips or presents. Their reward is knowing they helped make your flight more enjoyable.

Seat units

The reading lights, cold-air ventilation and call buttons are overhead. The seat-recline button is in the arm. We request you leave your seat belts fastened whenever seated. Your carry-on luggage may be placed in the enclosed stowage unit. You will find rugs and pillows there, too.

Junior Jet club

Any young flyer under 16 years, is eligible to become a member of the Qantas Junior Jet Club. Application forms are obtainable from the steward. 'Junior' then receives a Certificate, a Log Book, the Club Badge and regular copies of the Club newspaper which includes a Pen-friend's corner. The Log Book, signed by the aircraft captain, is a permanent record of flight details and is re-usable for future journeys.

Your Qantas Crew Members

The flight crew

The flight crew

Manning the flight deck is a team of senior officers—the Captain (a flight-mile 'millionaire'), the First and Second Officers (also fully qualified pilots), the Flight Engineer, and on certain long oceanic sectors operated by 707's, a Navigator.

The cabin crew

The cabin crew

The Stewards and Flight Hostesses graduate from QANTAS' intensive inflight courses skilled in the art of tending to your every need and comfort. Their aim—to make your flight a memorable one.

The ground crew

We have a crew on the ground as good as the one in the air. They're local people who are ready to greet you at your destination. They'll get you a porter or a connecting flight, look after the children and help you to find your way around. It's nice to know our service doesn't stop with the plane.

Offices and sales agents

Your onward and return reservations

If you break your air journey for more than 72 hours at any point, please reconfirm your onward or return reservation.

To reconfirm a flight:

(a) Contact the Reservations Office of the Airline at the city from which that flight departs.

(b) State your definite intention to use your reservation and give your local telephone

number or address.

(c) You must do this at least 72 hours before departure.

Failure to reconfirm will result in the cancellation of your reservation.

If you do not hold an onward or return reservation please contact the local Qantas Office, or our Agent, as soon as you know your travel dates.

Early bookings avoid possible later disappointment.
